## Membership Eligibility

To be a Provisional Member of the Early Childhood Council, you must be:

- an independent early childhood education centre, which means you may be privately-owned or owned/governed by a community board, but you cannot be part of a Free Kindergarten association, Te Kohanga Reo National Trust or New Zealand Playcentre Federation. Only centre-based services are eligible, so you cannot be a provider that offers only home-based services; and
- aiming to be licensed by the Ministry of Education within a maximum twelve-month period of joining, at which point the member will move to full membership

Is your service:

Privately-owned

Community

To be a Provisional Member of the Early Childhood Council, the whole entity (single ownership structure) must join, not just one centre. A Provisional Member can only join once under this category. Applications must be approved by the ECC Executive.
