Membership Eligibility

To be a member of the Early Childhood Council, you must be an independent early childhood education centre, which means you may be privately-owned or owned/governed by a community board, but you cannot be part of a Free Kindergarten association, Te Kohanga Reo National Trust or New Zealand Playcentre Federation. Only centre-based services are eligible, so you cannot be a provider that offers only home-based services.

Is your service:

Privately-owned

Community-owned

To be a member of the Early Childhood Council, the whole entity (single ownership structure) must join, not just one centre.
